

PRAMATTONE 2017

PROVINCIA DI PAVIA IGT - CROATINA

Grape: Croatina

Training system: Guyot

Vines per hectare: 4.600

Age of the vines: 21 years

Yield per hectare: 9 tons

Harvest: the grapes are hand-harvested slightly overripe in small bins.

Vinification: the must soaks with the skins for a long time. The wine is then briefly aged in oak to enhance the elegance and complexity of the *bouquet* and add further subtle flavours.

Alcohol: 14,5% vol

Tasting notes: purple red colour. Ample nose with well-balanced fruity and spicy notes. The warm palate reveals a full body with fine tannins.
